

Spirit Is Subject of Christian Science Lesson-Sermon Sunday

Freedom and liberty, away from the enslaving ills and evils of material existence, must be and can be won in the practical understanding of God as Spirit, says the Lesson-Sermon in all Christian Science churches Sunday. The subject is "Spirit."

The reference from the King James version of the Bible in one section of the sermon consists of the Apostle Paul's teachings regarding practiced spirituality. The Apostle calls, "Come from among them, and be ye separate . . . and touch not the unclean thing; and I will receive you, and will be a Father unto you, and ye shall be my sons and daughters (II Cor. 6-17, 18).

"Science and Health with Key to the Scriptures" by Mary Baker Eddy reads, "It is not wise to take a halting and half-way position or to expect to work equally with Spirit and matter, Truth and error. There is but one way—namely, God and His idea—which leads to spiritual being" (p. 167).

The Golden Text from I Corinthians (2:11) expands the theme, "What man knoweth the things of a man, save the spirit of man which is in him? Even so the things of God knoweth no man, but the Spirit of God."

VOLCANIC ASH
TOPEKA — Kansas ranks first in the United States in the production of volcanic ash although the state has no known volcanoes and never had any.

Offering Will Help to Build New Hospital

Members of Torrance Seventh-day Adventist Church will give a special offering Saturday, August 8, to help build a modern hospital for Navajo Indians in remote Monument Valley, Utah.

The new 15-bed hospital, to be located some 600 airline miles from Torrance, will be the only medical center in a 200 mile area of rugged and inaccessible desert which is populated by thousands of Hogan-dwelling members of the Navajo tribe.

LOCATED in picturesque Rock Door Canyon near Utah's southern border, the hospital will be situated among giant red rock monuments which soar hundreds of feet into the sky. In the crude hogans (mud and wood hut-like house) along the wagon trails that cross and recross the desert below is much disease and sickness.

Pastor Glenn L. Goffar said Adventist Church members throughout California, Arizona, Utah, Nevada and the Hawaiian Islands will contribute to the special offering Saturday. Construction on the new hospital, Pastor Goffar said, should begin immediately.

PASTOR Goffar pointed out that Indians now stricken with acute illness in the area where the hospital is to be built have to be transported over 100 miles of rough and lonely road to the nearest hospital. Nearest hospital facilities to the Monument Valley area are located at Tuba City, Arizona, and Monticello, Utah, he said. The new hospital will be located on grounds of the Adventists' Monument Valley Mission, a clinic-school-church facility which was established nine years ago. Since its establishment the clinic has cared for thousands of local tribespeople, but Mission officials cite a growing need for a hospital to handle growing emergency medical situations.

TONS OF food and clothing, much of it donated by Torrance citizens, have been distributed to destitute Navajos since the Mission opened.

"Despite the increasing effectiveness of 'miracle' medicines, the health of the Navajo remains at the lower end of the United States health scale," said Pastor Goffar in commenting on the offering to be taken in his church. "It is our hope that this new hospital will bring higher health standards to the thousands of Navajos living in the Monument Valley area."

Worship Hour Changes Time

Commencing Sunday, August 9th, the morning worship services of the South Bay Baptist Church, 4565 Sharynne Lane, southwest Torrance, will be at 10:45 o'clock. Children's church directed by Mr. and Mrs. Lowell Eason for elementary school age convenes at the same time.

The slight change in time has been facilitated by the occupation of the lower floor of the new Sunday school unit, enabling classes to disperse more rapidly. According to Sunday School Superintendents Ed Sutterfield and Charles Elliott, classes for every age group convene at 9:30 a.m. Bus transportation is provided in the area and schedules may be obtained by calling the church office, FR 5-3433, Monday through Friday from 10:00 a.m. until 3:00 p.m.

First Lutheran Church Offers Choir Workshop

The Minister of Music at First Lutheran Church of Torrance, Mr. Wallace R. Herrewig, will conduct the first in a series of workshops designed to help present choir members and others interested with vocal aids necessary to good singing. The dates for this first series will be August 5, 12, 19 and 26. Each session will begin at 7:30 p.m. at the church.

This first series of workshops will cover valuable aids in learning to read music better, learning to use the voice better individually and in groups; and a special study and rehearsal of the new Lutheran liturgy.

PUPPY STOLEN
One of a litter of prize Pekingese puppies was stolen from the backyard of her home Sunday after Mrs. Evelyn Trachsel, 1614 Crenshaw, had run a newspaper ad offering the puppies for sale.

Mrs. Trachsel reported the theft to police. She asks that anyone having information telephone her at her home, FA 8-5220.

WOMEN STUDENTS
Yale's school of medicine accepted women students starting in 1916.
